Subject: Transportation bills

Honorable Legislators:

Yesterday, a message was inadvertently sent out by the Ada County Commissioners' office that misrepresented my position on the transportation compromise proposal.

In deference to the difficult challenges you face on a daily basis, I appreciate the numerous arguments on both sides of this issue; however, in a nutshell, now is not the time to raise taxes and fees on Idahoans. We cannot tax ourselves out of a recession.

Thank you for your careful consideration on these important issues.

Sincerely,  
Sharon M. Ullman  
Ada County Commissioner
